Homework Help

Longview Public Library has compiled a list of links to homework help for kids. These links are not meant to be a comprehensive list of all available information and represent only a small portion of what is available online. The views expressed on these sites do not necessarily reflect those of Longview Public Library and/or the City of Longview.

This page contains homework help resources for younger students, including student databases for younger learners and links to many helpful online resources.

INDEX

Click on a link in the list below to quickly jump to that section.

Databases	Mathematics
Homework Helpers	Pets
Biography	Science
Geography and Government & History	Science Fair Projects

Databases

[1]**Powerspeak** [1] is our new language database from Gale. Powerspeak provides users with the ability to learn, apply and enjoy a new language quickly and more proficiently using a variety of proven methods that engage all types of learners. Choose from Spanish, French, German, Mandarin Chinese and ESL For Spanish Speakers. You will need to create a free account.

[2]

Searchasaurus [2] and Homework Helpers from Ebsco provide full-text, online magazines, newspapers, encyclopedias, and other resources designed for children through grade 6. When asked for a Patron ID, please enter your library card number.

Student Resource Center [3] from Gale Resources offers magazines, newspapers, encyclopedias, dictionaries, and other resources suitable for homework assignments and individual exploring. When prompted for a password, enter your library card number.
